Date: Thursday, April 05, 2018 8:03:29 AM

TDD: R6 START IV (EP-S5-17-02/0001)/17-004 has been approved by Michael J. Pheeny in EAS.

You may access the document at <https://eas.epa.gov/>

Project Title: R6 START IV

Modification: 002

Description: Increase the funding ceiling by \$150,000 (for a new ceiling of \$180,000) so that work can continue.

The contractor shall use SSID 061D on all forms, reports, emails, communications, and deliverables.

The contractor shall perform the following:

1. Contact Task Monitor (TM) with name of Project Team Leader;
2. Review reports posted on epaosc.net as soon as access granted by TM;
3. Prepare analytical table from the data on historical reports and provide to TM;
(Estimate of sample location coordinates should be made);
4. Obtain Fannin County parcel and owner information for at least city of Leonard;
5. Construct a flexviewer for the site including parcel and owner information;
6. Prepare and propose a sampling approach for site and offsite areas that may have been impacted by operations;
7. Prepare cost estimate to implement sampling plan;
8. Implement the approved sampling plan.
